KB Teriyaki Chicken

Here at KB Teriyaki Grill we prepare our fresh never frozen chicken daily. First the chicken gets marinated with fresh onions, garlic, ginger, and soy sauce. Then we bake the chicken to ensure a consistent quality and flavor. Finally, the chicken makes its way to the grill where it's seared on both sides for that delicious char broiled taste. Topped with our signature Teriyaki Sauce it's a meal you're sure to enjoy.
